

Supported Entry Guidelines

(Updated June 2010)

- Allow the Board two (2) months to approve a supported show.
- Plans should be made twelve to eighteen (12-18) months ahead of the show date.
- Be sure that you can generate a major in either dogs or bitches before making application to the Board.
- Obtain written permission from the All Breed Club you wish to support and get details of what they offer breeds who support (e.g., a free page in their catalog that can be used as a booster page, etc.) (\$5 for a one line listing)
- Work with All Breed Club for datelines on submitting trophy list and for Ads, free Ad pages, Rosettes, Trophy for Best of Breed from All Breed Club, etc.
- At Supported Shows, ATCA will offer the same trophy to Winner's Dog, Winner's Bitch, and Highest Qualifying Score by an Aussie in Obedience. ATCA also offers trophies of lesser value to Aussie winners in the three levels of Rally. These will be mailed to the liaison person by the designated ATCA Committee person in advance of the show. Have these trophies properly listed in the Premium List. Plan on soliciting trophies from local members in addition to these trophies well in advance of your trophy deadline.
- Find out if the Superintendent of the All Breed Club will mail premium lists to ATCA members. If so, and if he will use them, request mailing labels from the Treasurer and give to the Superintendent for his use.
- All checks received for trophies, ads, etc. must be made payable to ATCA in US funds.
- Checks requested from the Club Treasurer shall not be in amounts greater than what has been collected and deposited in the Club treasury for this purpose.
- Monies collected from catalog ads at Terrier Group Shows where ATCA supports the entry will go towards hospitality at the next National Specialty. *(November 1998)*
- Don't be afraid to ask questions from either the ATCA President or the All Breed Club.
- We encourage supported shows. They are not that much work. Any social activities planned are at your own discretion.
- Work with the Newsletter Editor and her deadlines in advertising the Supported Show. After the show, submit a brief write-up, including winning dogs, to the Newsletter Editor.
